Please attach the following information as separate pages:

Bio: Tell us your story. (1 Page Max)

Your Credits and Awards: A page outlining your credits and awards. Include TV, film, advertising, Internet, records, and live performances. Please be specific about your exact role in each production. If you have won awards for your music performance, composition, and/or production, please include a list with quick descriptions/dates. (ManHatPro understands that Emerging Talent applicants may not have extensive credits. Emerging Artists should include any recognition in school/academic programs.)

Demo CD/DVD: We want to see your work... and please, please don't send us what you think we'll like. Send us the stuff you're proud of. The stuff YOU think is cool. If you've done music to picture we would prefer to see that on a DVD (as opposed to just the music track).

Career Goals and Strategy: We'd like to know where you want to go in your career and what strategy you have for getting there. Give us a quick outline. (1 Page Max)

As a member, what can you contribute to ManHatPro? Every ManHatPro member is expected to "give back" to the organization and membership. What skills (artistic, business or otherwise) do you have that could benefit the MPA and its members?

Please mail your \$50 application fee (in the form of a check payable to Manhattan Producers Alliance), **this sheet, and your attached info (bio, career goals, credits, awards, and DVD/CD) to:**
